KS2

This 'Open the Safe' puzzle is a great way to practice Addition skills.

How to open the safe:

SIMPLE - The code of the safe is 100. You can only press 3 buttons. The sum of the numbers on the button must add up to exactly 100. You are not allowed to press a button twice. Colour the buttons that makes the correct combination. You have 2 minutes to find the combination.

LOOK FOR THE ANSWER ON THIS PAGE TOO..!

Good luck...!!!
